WASHINGTON, D. C. 20505

National Intelligence Officers

MEMORANDUM FOR: Director of Central Intelligence

FROM : Robert R. Bowie  
Deputy to the DCI for National Intelligence

SUBJECT : Revision That You Requested of The Soviet Leadership  
Succession Paper

1. Action Requested: That you indicate whether the attached revised Key Judgments of the State-CIA-NSA paper on the Soviet leadership succession adequately responds to your expressed concerns about what the paper should do for key policy readers.

2. Background: When we discussed the subject of the Soviet leadership succession, and this paper, with you recently, you were concerned that the paper more fully:

--describe the general process of succession;

--consider a range of alternative likely and possible succession scenarios

--spell out the policy implications for the US of a Soviet succession process in general, and of various alternative scenarios.

We have revised the paper accordingly, and attach its Table of Contents and Key Judgments.

3. Staff Position: Representatives of State/INR, CIA and NSA have approved the revisions.

4. Recommendation: That you approve the Key Judgments and our issuing the paper.

APPROVED:   
Director of Central Intelligence

Robert R. Bowie
